

Dec 2007.

To Whom It May Concern,

It is my delight to provide a letter of reference for Rhonda Skiba.

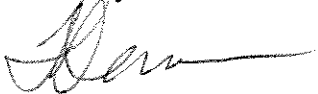

While I have only known Rhonda for a short while, I have come to know her quite intimately and have found her to be very personable, authentic, enthusiastic, and, highly principled with regard to her affairs.

I feel confident with her ability to ensure the safety and well-being of elderly people and/or people who have limited abilities.

I fully support her in all her endeavors and highly recommend the services she offers through Life's a Trip!

I can be contacted at (705) 722-7036 should you require further information.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Tania Dawson', with a long horizontal flourish extending to the right.
